PROFESSIONAL SUMMARY

Information Systems graduate from the University of Bahrain with a strong foundation in web development, mobile applications, and database management. Experienced in using modern tools to design and develop data-driven applications, with a good understanding of UI/UX and security fundamentals. Seeking an internship or entry-level position to apply technical skills and grow professionally.

CERTIFICATE

- | | |
|--|----------|
| • Database Essentials and Vulnerabilities | Jul 2025 |
| • Penetration Testing, Threat Hunting, and Cryptography | Jul 2025 |
| • Computer Networks and Network Security | Jul 2025 |
| • Building a Dynamic Web App using PHP & MySQL | Jun 2024 |
| • Using MySQL Database with PHP | Jun 2024 |
| • Create a User Journey Map in Miro | May 2024 |
| • Prototypes in Figma: Creating an Initial Low-Fidelity Design | Apr 2024 |

Education

- | | |
|---|----------------------|
| B.SC Science in Information System
University of Bahrain , Zallaq | Sep 2021 - Jan 2026 |
| High School Commercial Stream
Altaawon Secondary School Boy , Sanad | Sep 2018 - June 2021 |

Projects

Senior Project:

Developed the AWN mobile application, designed using Figma, built with FlutterFlow for cross-platform mobile development, and powered by Supabase for backend services including authentication, database management, and row Level security control. The application integrates donation, volunteering, and campaign management features into a single platform.

Work Experience

- | | |
|---|----------|
| Intern - IT Process Automation Section
Alba Aluminum Bahrain, Askar | Dec 2025 |
| Volunteer - Pharmacy and dentist department
Health Center | Jan 2020 |

Skills

- **Mobile & Backend Development:** FlutterFlow, PHP, SQL, database-driven application development
- **Database Management:** Database design, normalization, and data handling using relational databases
- **Security & Access Control:** ACL concepts, authentication, and role-based access control
- **UI/UX & Data Analysis:** UI/UX design with Figma, data analysis, and data mining

Languages

- **Arabic** (Native)
- **English** (Excellent)
